

AFKE well-control equipment

1. Manometer
2. Plug fitting for NKT thread*
3. Flange for NKT thread*
4. ZMS shutter
5. T-piece
6. Intermediate flange
7. Nipple shoe*
8. Flange for welding*
9. Cable input
10. Adapter
11. Wellhead crosspiece

1. Adapter
2. Cable input
3. Threading for pipe suspension
4. Sealing ring
5. Wellhead crosspiece
6. Air valve
7. Delivery valve

*** Example of reference designation**

- АФ - Well-control equipment with piping suspension in the adapter
- КЭ – Cable input
- 3 - Design diagram under GOST 13846-89
- 80 - Borehole port area, mm
- 65 – Side branches port area, mm
- 35 – Operating pressure, MPa
- К1 – Corrosion resistance category
